TSP Contracts

The TSP contracts function provides online access to all service contract information for the contracts and sites for which you are authorized. This overview screen informs you, in an aggregated form (overall and per site), of the number and value of existing contracts. Special attention should be given to expiring contracts. Clicking any of the links provides more detailed information for that entry.

Summary
The summary provides an overview of all service activity for all sites for which you are authorized grouped by status and system type.

Contract Status		System	
Active	1104	Fire	1114
Expiring	1106	Fire	1116
Cancelled	1108	HVAC	1118
Expired	1110	Mechanical	1120
	1112
